FRIGID Rogaine

Jan. 6, eXplore Brown County

Six hour rogaine with three unique loops.

Participants (solos and teams) use a map

and compass to locate checkpoints (CPs).

The goal is to locate the most CPs in the

allotted time. Sometimes CPs are assigned

a point value according to their difficulty.

Then the goal is to get the most points.

There is no set course so you are free to

choose any route you'd like.
